# **VOTE OF SOLDIERS**

Ballots Must Be Sent Up From Border to Be Counted in Home Districts.

The result of the election in this State and in any State where a few thousand votes may determine the issue, may not be known for a week after Election Day, unless the present plan for recording the votes of the soldiers on the Mexican border is changed.

It was stated at the Board of Biections office to-day that the ballots of the New Yorkers on the border will be scaled and sent to the Secretary of State at Albany, and he will in turn send them to the counties in which the men reside.

Cornelius Vanderbilt is one o those who returned home too late to register, and unless he returns to Texas before Nov. 7 he may lose his

The guardsmen will be sent two ballots each, one an emergency ballot to be used in case the other is destroyed. He will be given a book containing the names of all the candidates in every county in the State and he will have to write in on a blank ballot his chaoice for office. It was found impractical to send to each man the ballot of his own district and thus the blank ballot is being
